## Galerie-Informationen Gallery Information

LAURA MARS GRP. is a gallery for contemporary art based in Berlin. The gallery was established in 2001, with the goal of creating an up-to-date and non-dogmatic forum for fine arts. From the beginning, the gallery has placed special emphasis on Berlin as a place of artistic creation, for German as well as international artists. The gallery's programming concentrates on the various forms of artistic techniques: drawing, painting, photography, sculpture, installation and video and other digital media.

In addition, LAURA MARS GRP. collaborates with the featured artists on Internet presentations, CD-ROMs, publications and lectures.
